OUR MISSION

Mama
Dog Aide client since 2020

Dog Aide is a 501(c)(3) outreach organization that services dog owners in the city of Detroit, Michigan. Dog Aide's mission is to assist Detroit dog owners who are at risk of surrendering their pets to overcrowded municipal shelters due to financial constraints. Dog Aide has designed a community outreach program that provides dog food, daily care items, education on proper pet care, and assistance with spaying/neutering all free to Detroit dog owners.

Our organization currently services approximately 600 dogs that live indoors, and 200 dogs that are tethered outside 24/7. Over the past 11 years, Dog Aide has provided over 1,000,000 meals, 700 dog houses, 2,500 spay/neuters, and 5,000 vaccinations completely free to Detroit dog owners.

Your support directly impacts Detroit dogs like Mama. When we first started visiting Mama, she lived outside in a broken down dog house and on a heavy chain, and pregnant with her 10th accidental litter of puppies. Her owner was a struggling senior citizen that didn't know any different. We helped Mama get spayed, built her a kennel, and provided any supplies her owner needed for her. These days, Mama frequently comes inside, her owner takes her for walks, and she is simply the light of his life. Mama is a prime example of a outreach success story of Dog Aide.
